

NC Kindergarten Entry Assessment Pilot

Participant Information Webinar

Goals

- Provide a brief overview of the K-3 Formative Assessment project
- Provide general information about the July KEA Pilot training
- Provide general information about the pilot process

K-3 Formative Assessment

K-3 Formative Assessment Vision

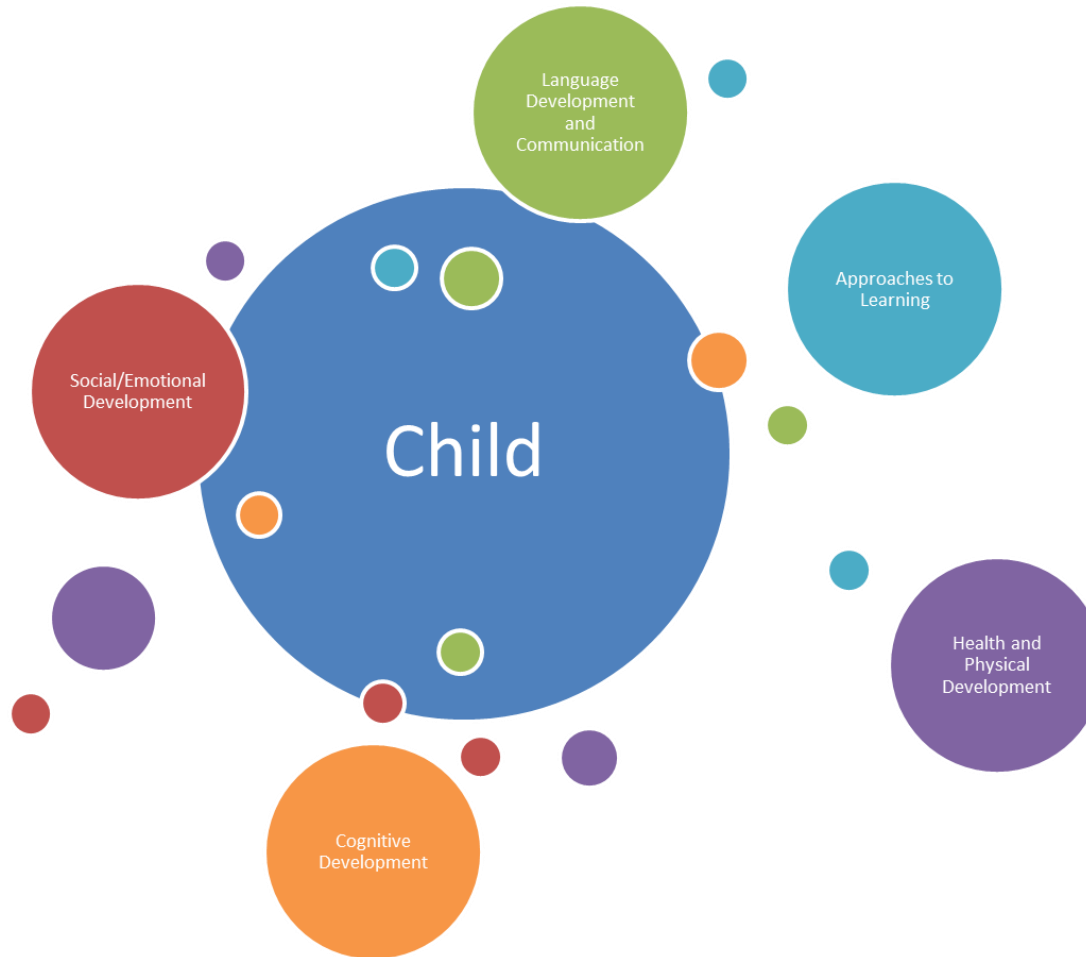

A **process** used by teachers and students **during instruction** that provides feedback to **adjust ongoing teaching and learning** to help students improve their achievement of intended instructional outcomes.

CCSSO, 2006

Adopted by NC DPI

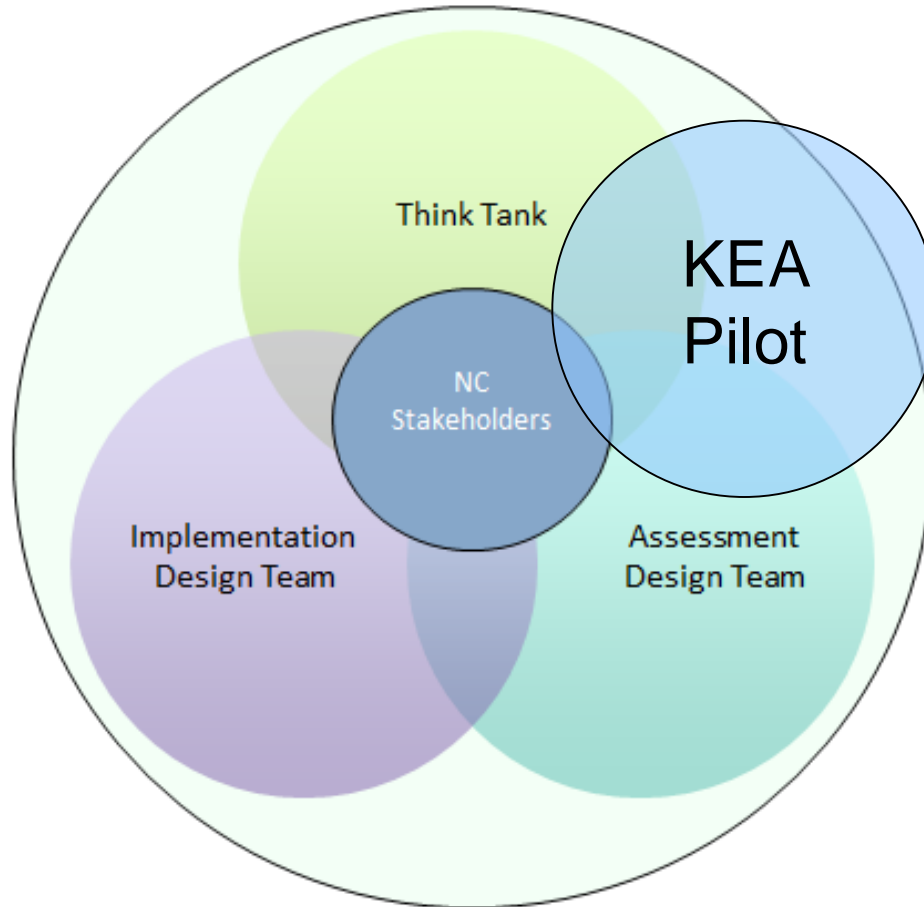

K-3 Formative Assessment Vision

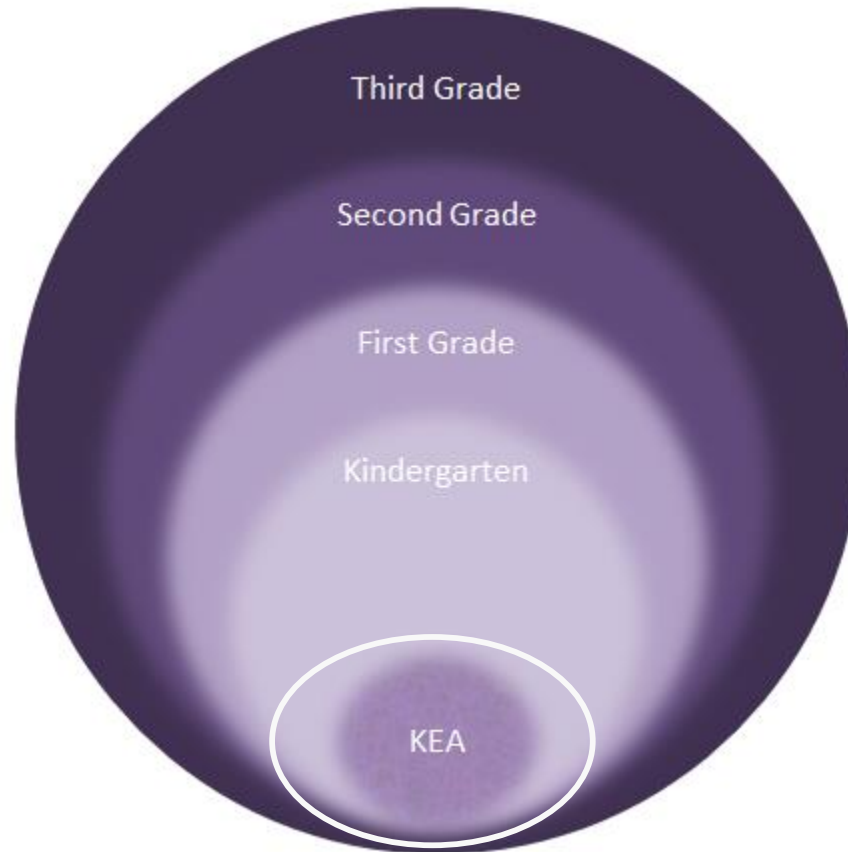

K-3 Formative Assessment Vision

Task Force

K-3 Formative Assessment Vision

NC Kindergarten Entry Assessment

Purpose:

- Provides teachers and families with a more complete picture of children entering kindergarten
- Supports instructional planning to promote children's success in school

KEA Pilot

Purpose:

- To gain an understanding of the classroom application of the KEA
- To inform the continued development of the KEA
- To inform the revision of training and support

KEA Pilot Training

Who will attend?

- Kindergarten Teachers
- Principals
- District Office Administrators
- NCDPI OEL K-3 Formative Assessment Team

KEA Pilot Training Goals

To build an understanding of:

- Concept of the KEA
- Structure and components of the KEA
- Implementation of KEA

Professional Development

- Two days of face-to-face professional development
- Training will occur in multiple locations across the state
- Administrators participate in a break-out session
- Additional materials provided that support training

Training Topics

- Purpose of the KEA
- The Assessment Cycle: Linking Teaching, Learning, and Assessment
- The role of observation
- The online tool
- Practice, Practice, Practice

Administrator Session

Will address:

- An Overview of Implementation
- KEA Pilot Communication Processes
- Strategies to Support Teachers

KEA Pilot Process

Participants will:

- implement during the first 60 days of enrollment
- complete a training and technical assistance survey
- provide feedback on the Kindergarten Entry Assessment process
- disseminate information to families in pilot schools about the pilot (provided by DPI)

KEA Pilot Process

Selected participants will:

- participate in observations and post observation conferences
- participate in interviews
- provide access to the evidences of learning collected for content analysis by UNCC and NCDPI

KEA Pilot Support

NC DPI will:

- Provide ongoing technical assistance to participating teachers, principals and district office personnel
- Facilitate communications with UNCC team conducting the NC KEA validity study

Teaching Strategies will:

- Provide technology support for the online platform
